# Regimental Roll Call

*We of the 311th Infantry are proud of the record that the Timberwolf Regiment has earned, in Europe and in the States. Of the original men who left Camp Kilmer with us many are no longer here. Others have joined our ranks to take the places of those who have fallen.*

*Our record is outstanding. Honors are many. By evidence of our combat record, praise is due the soldiers who have comprised, in the past and present, the Timberwolf Regiment.*

*The following is a roster of the officers and men of the 311th Infantry Regiment. Those whose names are marked with an asterisk left the States with the 78th Lightning Division.*
